finding love harmony and happiness balances biochemistry and belief passion and peacefulness the immutable gold of love is within us let us show it

the sacred alchemy of love is a companion book that complements the author s earlier secrets of a 21st century alchemist when ordered together these two books will enhance their reader s understanding of spiritual metaphysics

love success your own happiness your own happiness can t rely on another person another person only fulfills another s life the book is about the wonders of love how someone else s body can be melted in to another human s body how you can feel spiritual love for many people at the same time you love your companion in your relationship spiritually and physically how soul is free to experience and fly to get the experiences different families of souls combine you can feel it as different experiences of love as deep feelings of sympathy and as the feelings of empathy for another people how another can feel so familiar so close everything happens always in the spiritual level in love there is the pureness and authenticity of soul

soul is neuter soul is free there is a charge of love in the modern time s energies which ignites in your heart by living your life the states of love by living life in the moment

nothing is neither fuller nor better in heaven and earth every authentic love story is in its essence a journey toward god and every time we truly love we unveil the face of god because god is love 1 john 4 16 no wonder thomas kempis affirmed that nothing is sweeter than love nothing stronger nothing higher nothing wider nothing more pleasant nothing fuller nor better in heaven and earth because love is born of god and cannot rest but in god above all things but if it is so why in the world do we find ourselves very often dissatisfied with our love life and why do we have so many dysfunctional relationships with our families neighbors and others why do we seem to love to hate each other and make enemies rather than friends not only with individuals and groups but also with other nations as well what is missing from our earthly love what has happened to love to these questions and to many more dr maalouf whose focus is one of gentle revolution in human development as leading critics said when describing his prolific works is suggesting here a different way of seeing the reality of love although it is based on psychological sociological philosophical and theological principles this adopted way conveys the message through a poetic contemplative and mystical method in the style of meister eckhart and st john of the cross this is not intended to be a comprehensive study on love but a fresh awakening to the existential deeper and richer level of consciousness of the living love for the love of one another john 13 34 is not just a commodity for social arrangement but the evidence of our divine origin and destiny and the critical condition for our very survival thus a book like this should be read meditativelythe way one listens to a great symphony or perceives a masterpiece in an art museumand comprehensively for it is not just the total sum of its paragraphs as a symphony and a painting are not the total sum of their different notes and colors thenwonder of wondersone will realize that there is nothing more mysterious more magical more life changing than love it is indeed the philosophers stone that converts whatever it touches into a golden reality then everything will start to make sense for nothingnot even all the money in the worldcan buy the strength and the happiness of a true loving heart
